SOIN LISSANT

Smoothing . Hydrating . Regenerating

An extraordinary facial which offers a deep sensation of pure relaxation and well-being, leaving your skin looking supple, lifted and luminous. Developed by Biologique Recherche, this unique sculpting facial massage technique rejuvenates the appearance of your skin for a youthful, toned appearance.

SOIN LIFT C.V.S

Lifting. Exfoliating. Nourishing

This facial channels the advanced technology behind Biologique Recherche's "LIFT C.V.S N°1 AND N°2" range. The Soin Lift C.V.S is an exfoliating and lifting treatment that combines shaping techniques designed for mature Skin Instant®. Using the Jacquet-Leroy massage technique to stimulate elastin and collagen whilst lifting and defining facial contours, the treatment has rich moisturising ingredients for the deep layers of skin to repair, strengthen and tones tissues through a deep cellular renewal.

SOIN MC110

Restructuring. Plumping. Toning

This invigorating treatment reduces wrinkles and fine lines, and energises lacklustre Skin Instant®. The unique Parisian vibratory massage technique used genuinely plump areas of concern whilst following the muscle fibres to redefine, sculpt and purify.
