

HYBRID MEETINGS & EVENTS

FAIRMONT LE MONTREUX PALACE

YOUR HYBRID EVENT DESERVES THE BEST DIGITAL EXPERTISE.

A hybrid event is a live event with on-site attendees and virtual attendees at the same time - usually with live streaming. At Fairmont Le Montreux Palace, we understand the value of communication, especially in today's world. Whether it's a business presentation, the CEO's speech or a milestone celebration, Fairmont knows successful communication lies into smart technology. Hybrid events allow more attendees to connect and share information across the globe - all of this with smaller carbon footprint.

Our event planners and certified audiovisual partner **Dorier Group** offer effective digital solutions to host your hybrid event at Fairmont Le Montreux Palace, delivering an engaging and interactive experience in strict respect of safety measures. Together, we ensure to deliver quality event experiences to participants both in person and online. We aim to blend seamless technology connections with engaging experiences.

STAY SAFE. REMAIN CONNECTED.

Our priority remains the safety, security, health and wellbeing of our guests, team members and community. Travel restrictions prevent us to live as before and distancing rules have driven us to adapt to the industry requirements and change the way we see events. We can certainly still connect with our colleagues, business partners and peers! Hotel operations agility is part of our DNA and this is how we can make it work effectively.

Meeting spaces, rooms, and restaurants are deep cleaned using harmless products to human health, with continuous controls to provide a safe environment for both our guests and employees. Hand sanitizer is available throughout the hotel and all common spaces are disinfected frequently during the day. Guest rooms are cleaned only in absence of the guests and ventilated properly.

Social distancing like other safety measures are in place to help you enjoy the new normal as much as possible. We have adapted the facilities access routes, spacing in meeting rooms, and created processes with our teams to provide the best service with the highest safety standards.

Our restaurants and catering services have been reimagined ensuring maximum safety without having to sacrifice the exquisite cuisine and top-notch service that makes Fairmont Le Montreux Palace unique. You will be able to unwind with our cocktail, lunch and dinner packages or gala dinner with plenty of space, because socializing is still possible while social distancing.

Fairmont Le Montreux Palace has successfully passed the COVID-19 conformity test as part of the Accor ALL SAFE program by SGS INSTITUT FRESENIUS GMBH, establishing some of the most stringent cleaning standards & operational procedures to ensure guest safety and comfort during their stay. (More information on all.accor.com/event/allsafe.fr.shtml). We are also labeled by Switzerland Tourism aiming to strengthen their confidence in the quality of the services provided by hotels, restaurants, and tourist services.
