BY

Kirk Westaway

"Our wine list is curated with the same philosophy that guides our cuisine:
respect for origin, seasonality, and craftsmanship.

Each selection reflects a sense of place, shaped by thoughtful growers who work in harmony with their vineyards across the world's most respected wine regions. From benchmark estates of historic appellations to small, expressive producers in emerging terroirs, the list favors ***balance, precision, and longevity*** *at the table.*

We invite you to explore wines chosen not for fashion, but for how beautifully they accompany the dining experience—enhancing ***flavour, texture, and memory.*** *"*

KRUG

AMBASSADE

Since 1843 the House of Krug proudly cultivated the markedly individual character of their exceptional Champagne. Over 170 years ago, Joseph Krug broke with convention to follow his vision. To create the most generous expression of Champagne every year, regardless of climatic unpredictability. Joseph's bold experiment proved a triumph and he succeeded in creating Champagne like never before. And like no other Champagne House since. To this day, the House of Krug lives and breathes his enduring philosophy, creating only prestige Champagnes since 1843.
