Organic Loose Leaf Tea Selections

JASMINE GOLD DRAGON

Named for a mythic beast, Jasmine Gold Dragon is said to be a symbol of wealth, abundance and good luck. To make it, freshly plucked green leaf is layered with luxury grade, midnight-blossoming jasmine petals over the course of five nights. The result is an ethereal floral character that could be

KYUSHU JAPAN SENCHA

Delicate, refreshing, spiritual– after the spring rains, Kyushu’s tea fields glow emerald green with fresh shoots. We’ve selected a premium crop of this spring harvest, meticulously manufactured according to old-age Japanese technique. Kyushu Japan Sencha offers smooth, drawn out notes of grass that make it an excellent all-day-sipper.

FLORA’S BERRY GARDEN

Delight in luscious, round berry notes from garden to cup. Flora’s Berry Garden offers sweet layers of berry and tart hibiscus reminiscent of a morning in a summer garden. Naturally caffeine-free, naturally rich in Vitamin C, the perfect cup for sipping away a morning or afternoon.

GODDESS OOLONG

A true testament to the ancient goddess of mercy Ti Kaun Yin, Goddess Oolong is harvested for only a few short weeks in spring, when the rains fall in abundance and the cool night air forces delicate tea shoots that must be plucked by hand to minimize bruising. To this day, it is produced according to an ancient recipe some say has been passed down for over a thousand years.

REVITALIZE

Busy day at the office? Still getting over jetlag? You need to revitalize. Featuring rare teas grown at high African altitudes, this dazzling concoction of green and white leaf, blended with a touch of dried summer strawberry, delivers a soothing antioxidant boost your body with thank you for. Sit back, and set your sights on a sunny day.

DECAF ENGLISH BREAKFAST

It has long been rumored in tea circles that past noon, the Queen of England drinks only decaffeinated Teas. We’d like to think her Highness would appreciate the rich flavor of our luxury grade English Breakfast decaf. Crafted from seasonal teas grown in Sri Lanka, South India and Kenya, they are naturally stripped from their caffeine through a chemical free CO2 process.

IMPERIAL BREAKFAST

Breakfast tea fit for a royal table, when only the finest will do. Our tea masters scoured the estates of India and Kenya to source black teas that are as rich and profound in flavor, as they are deep in coppery color. Seasonal, hand-harvested leaf is oxidized and fired to produce a warm, nuanced cup that’s natural with eggs and toast, or on its own.

EGYPTIAN CAMOMILE

Exceptional, hand selected Nile Delta chamomile delights with amaranth and red cornflower petals to enhance visual appeal. Harvested from mineral-rich plots that have been farmed for thousands of years. With each sip, fragrant floral tones wash over the tongue leading to a subtle, sweet fruity finish.

CREAMY EARL GREY

Early Grey perfection– redefined. At the heart of this superb blend is a breathtaking mélange of high grown Ceylon black teas, gently blended with expansive oil of bergamot and natural creamy flavor. Noted by many Tea Tasters as the World’s premiere Early Grey. Unforgettable.

1907 ORANGE PEKOE

Blended to commemorate the opening of the first Fairmont Hotel in San Francisco, one fine morning in 1907. A sumptuous blend of hand-selected black teas from old-growth Sri Lankan tea fields, “up-country” and malty production from lush, “east-of-rift valley” estates in Kenya. A stunning morning tea brightened with a splash of milk.

OREGON MINT

Cool, pungent and lively. Immensely captivating with a burst of freshness. The pedigree of the world’s best mint. This caffeine-free brewed cup offers an unmistakably cool, fresh profile which calms the body, soothes the nerves. Medium antioxidant properties, the longer the tea is brewed the better the antioxidant benefits.
