again and again...

LET'S **TELL IT**

your way

first choose

THE TIME YOU CAN GIVE US

How long have we got to rewrite your day?

then

YOUR LEAD CHARACTER

Let's select a style of massage to match your main objective, whether that's to target pain, lessen the load of pregnancy or sheer indulgence.

then

THE PERFECT TOUCH

Should we lead you into a state of deep tranquility, guide your body to release its tension or combine our expert techniques to achieve both? You decide and we will follow.

and finally

SELECT YOUR SCENT

Your treatment can be truly tailored to match your mood in the moment based on the uplifting, unwinding or remedial bespoke SENSASIA® Stories blends of essential oils.

ENHANCE YOUR MASSAGE

How can we perfectly punctuate your pamper time? From heated poultices exactly where you need them, to the 'Digital Relief' upper body stretch, and simple yet sumptuous additions such as warm cocoa butter, muscle-melting 'Magic Gel' or eye-brightening cucumber slices, we have a whole library of enhancements to turn your treatment time into a tale of total transformation.

AND YOUR **STORY**

begins...

MASSAGE WITH *intention*

Targeted massages tailored to what your body truly needs.

LYMPHATIC DRAINAGE MASSAGE

60/90 Minutes

Bloated, heavy, or stuck? You'll leave lighter, refreshed, and properly rebalanced. A slow, rhythmic massage that stimulates your body's natural detox system to flush out excess fluid and restore balance. Using feather-light, flowing movements - never deep pressure - this specialised treatment works with your lymphatic system's natural rhythm to reduce inflammation and ease that heavy, sluggish feeling.

MADEROTHERAPY

60/90 Minutes

A body sculpting session using anatomically designed wooden tools that stimulate the lymphatic drainage system and apply targeted pressure to problem areas, helping to tone the skin and reduce the appearance of cellulite.

THE ULTIMATE RECOVERY

90 Minutes

Take your recovery to another level with this unique blend of massage techniques to ease muscle soreness, improve range of motion and flexibility, and boost mood and energy levels. Combined with our heated herbal poultices, this performance enhancing massage will aid in flushing lactic acid out, and recovery in.

THE RECOVERY MASSAGE

60 Minutes

Shrug off any post workout tension with a powerful combination of stretching, kneading, and acupressure massage techniques. Reduces inflammation and improves blood circulation, speeding up your recovery.
