

TRIDENT COCHIN

We have assembled a wine cellar that encompasses a selection of some of the world's best received wine varietals and wineries. The wine selection has been compiled bearing in mind the diversity of labels and wine making styles that exist, some boutique wine makers from California to McLaren Vale have been featured along with the houses of Bordeaux and the villages of Burgundy.

We would also like to highlight our house selections, The Chinkara Chardonnay and Chinkara Cabernet Merlot. Both these labels offer a crisp quality and an excellent value. The Chardonnay has both fruit and spice and will complement most seafood well, whilst the Cabernet Merlot will complement most meat and poultry dishes.

Should you wish, our team will be delighted to assist you in your selection.
